

# 2013 OESCA Therapy Dog Parade Entry Form

## Memory Booklet information form

Thursday, October 17, 2013

(Parade to follow judging of Sweeps)

**Participating Old English Sheepdogs must be a working member of a recognized therapy dog organization**

The parade will acknowledge dogs that work to improve the lives of people through their interactions as therapy dogs in hospitals, nursing homes, schools and reading programs. Participants will receive a certificate and a rosette from OESCA recognizing their accomplishment in this worthy field. Participants will also receive a complimentary copy of the 2013 Therapy OES Memory Book.

Therapy dogs may wear their "uniform" in the parade, if the therapy organization which with they are affiliated has a specific bandana or harness. Handlers may wear the **OES Therapy Team shirts** if they own them. Shirts are available for advance purchase for any teams who didn't get one last year. Any OES therapy team may order shirts even if they are unable to attend the parade. The order form is available on the OESCA website.

The **2013 Therapy OES Memory Book** will feature Old English Sheepdogs currently doing therapy work. You do not have to attend the parade in order for your dog to be included as long as your complete information is submitted before the deadline. Booklets are available for purchase through pre-order. The order form is available on the OESCA website.

**Sponsors** of the OESCA Therapy Parade will have their name included in the booklet. Any donation towards the recognition of these dogs is appreciated. Donation information is on the order form on the OESCA website.

I **will attend** the 2013 OESCA Therapy Dog Parade at the National Specialty in St. Louis, Missouri

I am **unable to attend** the parade but please include my dog in the 2013 Memory Book
